Rochdale – a perfectly located town with a long history, handily placed for Manchester yet with a distinct character of its own.

Hawks View, located in the characterful town of Rochdale, offers the close-knit, familiar convenience of town life, but with the buzz of the city on your doorstep, for when the mood so takes you.

It's the ideal setting for a sought-after development like Hawks View, an exclusive and diverse collection of stylish, spacious 2, 3 & 4 bedroom homes, surrounded by open green spaces, including the picturesque golf course the development backs onto.

CITY LIVING MEETS COUNTRY LIFE

Living at Hawks View, you truly can have it all. With Rochdale town centre little more than a 10 minute drive and the heart of Manchester just over 10 miles away, town and city will be moments away in the car here. Or if you prefer rail to road, nearby Castleton station offers services into central Manchester in around 20 minutes, and to Leeds in approximately 1 hour and 20 minutes.

And when the countryside calls, you'll have everything you need, right on your doorstep. An extensive open green space on the development itself will include strips of wildflower meadow, wetland, new trees and hedges and play equipment for youngsters. There will also be a local equipped area of play (LEAP) with railway-themed seating and a network of footpaths, perfect for little ones to get some fresh air and immerse themselves in nature.

THERE'S SO MUCH ON YOUR DOORSTEP...

Buy a new home at Hawks View and you'll have everything you could want from modern town life waiting for you in the centre of Rochdale. From the Rochdale Exchange Shopping Centre with its A to Z of household name stores to the diverse pub and restaurant scene, there will always be something new to experience here.

Rochdale Town Hall perhaps represents best the town's rich history and heritage, a Grade I listed venue with an ongoing programme of festivals, workshops and special events.

And with Manchester being such a short journey from home, there will be a limitless selection of entertainment and attractions available as and when you want them. Shoppers can take delight in the Trafford Centre, with more than 150 stores under one roof, little more than a 30-minute drive and with an array of restaurants, cafés and coffee shops for when you need a well-earned rest. This vibrant part of the city is also home to Manchester United's world-famous Old Trafford ground, a magnet for sports fans across the North West

and beyond, while Manchester City's similarly impressive Etihad Stadium is on the other side of the city, and around 30 minutes away in the car.

In the mood for a show? The Grade II listed Palace Theatre in Manchester city centre runs a varied programme of the performing arts, including theatre, opera, ballet, musicals and concerts. Film fans can also catch all the latest blockbusters at the Odeon cinema in Rochdale.

Not that you'll ever have to travel far to enjoy everything the local area has to offer. Closer to home, Castleton Health & Leisure Centre is perfect for a family swim, while the spectacular Healey Dell Nature Reserve and tranquil Hollingworth Lake provide the ideal excuse to get out and about amongst nature. Golfers will have a choice of courses to enjoy, including the one lying adjacent to the development itself, while in this part of the world of course, the beautiful Peak District is never very far away.

Our commitment to quality runs through everything we do. We understand that crafting beautiful homes within thriving communities is important in reaching our aim to provide homes for everyone.

AT KELLEN HOMES, WE HAVE *Homes for Everyone*

MAKE IT YOUR OWN

Built to Kellen Homes' high specification and packed full of your own personal choices, there's nothing quite like a clean and fresh new home.

CHAIN FREE

If you want your home-buying experience to be as quick, smooth and straightforward as possible, a new build is the perfect solution. With no upward chains to slow the process down, you can move into your new home as soon as it's finished.

EXPERT ADVICE

Our panel of independent financial advisors and solicitors are all new build specialists who take the pressure out of buying a new home by guiding you through the mortgage process and taking care of the legal aspects.

ENERGY EFFICIENT AND LOW MAINTENANCE

With highly efficient insulation, energy and water appliances and low maintenance materials and components, our new homes significantly reduce running costs and help cut the impact on the environment too.

PEACE OF MIND

In addition to a ten-year warranty and a two-year builder warranty, every Kellen property undergoes a stringent quality inspection prior to occupancy. This includes an external independent inspection of each home before handover.

COMMUNITY SPIRIT

By thoughtfully designing our new developments, we don't just build homes, we build communities. So whether you're a first time buyer, a growing family in need of more space or looking to downsize, Kellen Homes has a new home for you.

ENVIRONMENTAL SUSTAINABILITY

With climate change emergencies being declared at both national and local levels, there has never been a more important time to focus on environmental sustainability.

WE ARE COMMITTED TO:

Reducing Site Waste – We aim to divert more than 99% of our construction waste from landfill by reusing or recycling on site, or removing from the site for re-use, recycling, recovery or disposal. Constructed in Timber Frame – All our new homes are constructed in timber frame, a manufacturing and building method that uses FSC-certified wood from responsibly and sustainably managed forests to deliver energy efficient, precision-engineered components that meet the highest construction standards.

We also deliver ecological mitigation measures to limit the effects of our developments on wildlife, including retaining trees where possible, rehoming protected species, and providing replacement trees.

OUR PROMISE FOR THE FUTURE

Kellen Homes have adopted a 'fabric first approach' to minimise heat loss and improve airtightness in all of our homes, thus reducing energy costs for homeowners and providing a comfortable living environment all year round.

THE BUYING PROCESS

Whether you're a first time buyer or moving up the property ladder.
Our dedicated Sales Consultants are here to assist you every
step of the way.

1. CHOOSING A HOME

The first step on the pathway to moving into your dream home is to make an appointment with our friendly Sales Consultants. They are on hand to help with finding the perfect home to suit your needs. Once you have chosen your new home, if you haven't already spoken to a Mortgage Specialist our Sales Consultants can assist you with this.

2. RESERVATION

Once the mortgage advisor has confirmed your affordability (during this stage you will need to provide documents such as, passport(s), proof of deposit funds and payslips) you will be invited to complete a reservation form for your chosen home and pay a £500 reservation fee.

This reservation form will be used as the memorandum of sale for the property. You must check that all details added to the reservation form are correct before signing as this is used to instruct all parties.

3. INSTRUCTING A SOLICITOR

You can now arrange an appointment with your chosen solicitor who will handle all the legal aspects of buying your new home. If you don't already have a solicitor in mind, our Sales Consultants can put you in touch with a recommended solicitor.

4. SUBMITTING A MORTGAGE APPLICATION

Your new homes mortgage specialist will arrange an appointment to go through and submit your mortgage application. At this meeting you will be asked to pay a fee for a survey/valuation. A surveyor will then conduct a survey on your prospective home to ensure that the property meets the lender's criteria.

5. ARRANGE SEARCHES

Searches are an essential part of the home-buying process. These are carried out by your solicitor; they are used to ensure there are no issues you need to be aware of before taking ownership of your new home. Your solicitor will advise you which searches need to take place and ensure that they are carried out in a timely manner.

6. EXCHANGE CONTRACTS

Exchanging contracts is the point at which both parties are legally committed to the sale and purchase of the property. This is your next step after you have received your mortgage offer; at this stage you will need to pay your deposit to your solicitor and sign your mortgage deeds and transfers.

7. NEW HOME DEMONSTRATION

Prior to taking full ownership of your new home, you will be invited to take part in a home demonstration carried out by the Site Manager and Sales Consultant. This will give you the opportunity to raise any questions you may have about your new property.

8. MOVING IN

Our team will serve your solicitors with a legal notice to complete. This then gives you 14 days to complete on the property. Once completion has taken place and funds have been received our Sales Consultant will arrange an appointment for you to collect the keys to your new home.

9. CONGRATULATIONS

You are now the proud owner of a new Kellen home. We hope you will enjoy many happy years and make some fabulous memories in your new home.

10. AFTERCARE

As you settle into your new home our Sales Consultant and Site Manager will carry out a sequence of visits. This will give you the opportunity to raise any questions you may have about your new property.

After the settling-in period you will be passed to our dedicated Customer Service Team, who will be on hand to give both advice and practical assistance with any concerns you may have.

DON'T JUST TAKE OUR WORD FOR IT...

“I had decided I wanted to downsize, and I saw Kellen Homes online and sent the link to my son who lives overseas. He messaged me straight back and just said; “Mum, get yourself down there, the spec on these houses looks really good!” So I went along, met the team and chose my house there and then. Everyone at Kellen Homes was fabulous. They are so friendly and helpful – they really have all the right people to make it a perfect house moving experience.”

“We absolutely love to cook and eat and for us the kitchen should be the heart of the home. When we walked in and saw the fabulous space in our Kellen home, we knew it was for us. We had seen lots of other new homes before we found this one but this was the one for us and we couldn't be happier.

The process of buying was smooth, but now everyone has an opinion on the décor so it's taking a bit of time to decide!”

“As soon as we walked in and saw the houses, we knew it was right for us. The houses were beautiful and so well designed. We chose our homes and our plots right next door to each other.”

“We had been trying to buy a house that needed everything doing to it and it was going to take lots of time and effort and wouldn't be liveable in for a while. Then we found out the lovely news that we were pregnant and just happened to take a walk that ended up at Mill Vale. As soon as we saw the houses, we knew it was for us and we decided to buy.”
